

How to Have The Best Move Possible.

- ✓ Have all items labeled or clearly marked.
- ✓ Have at least one person present at the pick up and drop off location.
- ✓ Please secure parking for the truck as close as possible to your location.
- ✓ Please have all loose and small items boxed, packaged or secured. (disregard if you ordered packing)
- ✓ Due to CA Law Movers cannot be held responsible for things of value (cash, jewelry, documents etc.) please make arrangements to transport these items separately.
- ✓ Have all over sized furniture emptied dressers, armories etc... In case if you have any heavy items like a safe, piano, subzero or viking refrigerator... please let us know
- ✓ Please BE AWARE - not one Moving company takes any responsibility for water damages during or after the move. Shut off water and gas lines (electricity if possible) at the place you're moving from. Arrange a plumber to reconnect your appliances at the new place. Empty and defrost refrigerator the day before.

Items you'll take in your car

- Maps
- Snacks
- Credit Cards
- Cell Phone Charger
- Flashlight First-Aid Kit Prescription Drugs
- Cash or Travelers Checks (Coins for toll roads)
- Emergency Road Equipment (Tools, flares and a flashlight)
- Other:

Hazardous Items:

Hazardous items that pose a potential threat to the health and safety of movers (i.e. explosives, flammable gases and toxic substances) should not be packed into your shipment.

If you have questions about the suitability of an individual household item, feel free to ask your move coordinator. Some items may be permitted only with proper packaging and labelling.
